

2023 Dolphin Retreat Application Form

- INTRODUCTION -

(please read before filling out the form)

We assume that at this point - you've already looked into the PRICE and DATES for this retreat. If you haven't yet; you can find all of that information [HERE](#) 😊

If after reading the below - you decide to fill out and send in this application form, you will be added to the list of **potential** candidates to join us on this epic adventure - and we will get back to you later via email.

If this is your first time applying for this retreat; we will ask you for your **personal motivation** to join as well.

Please note, that with filling out this form, we cannot guarantee your spot on board yet. We will need some more information from you before we get there 😊

- THE RETREAT EXPERIENCE -

This retreat will be a **one-week on-board experience**. Our beautiful yacht with it's professional crew, will sail approx 40 kilometers / 20 miles outside of shore, to a wonderful calm (no high waves) shallow, reef-protected location in the Red Sea of Egypt.

This is where we will anchor and *remain for the entire week*. This location also happens to be one of the most popular spots for the local pod of FREE dolphins, to hang out and engage with us in their play, if they feel like it. The average chance of spotting dolphins in this area, is about 90% 😊

We respect **the wellbeing of the dolphins** above all else and leave any initiative for interaction up to them. We will be in a nature protected area where human-visitors are *not allowed to touch them*.

Our love for nature will be a big part of this retreat. Among others, we will request you to bring **reef-friendly products** (e.g. ecological bathroom products, and reef-friendly sunscreen etc).

A portion of the profits of this trip will be donated to the dolphin protection program "[Action For Dolphins](http://afd.org.au)" (afd.org.au)

Another main pillar of this retreat, will be to allow for the gentle and loving expansion of **your personal spiritual journey**. For this, besides enjoying (if possible) daily swims with our dolphin-friends, we will be offering a rich on-board program including different low-threshold ceremonies, ET-channeling and creative exercises for you to join in, if your prefer.

We are giving it all we've got to offer you a high-quality, super-well-taken-care-of experience, that you will surely never forget! 😊

Looking forward to hear from you and who knows,
see you on board! 🐠 🌊 🌞
